

## GAMING AT THE FOREFRONT OF THE INDUSTRY

The gaming industry is changing at a rapid pace. Government regulations and evolving demographics have the potential to impact our local economy and significantly change the landscape as we know it today.

CRR has been at the forefront of the industry with clients who are anticipating this change.

We have been instrumental in implementing compliance measures and risk programs, and can assist you in many ways, including:

- Accounting + attest
- CFO level consulting
- Income tax provision
- Multi-state taxation
- Sarbanes-Oxley compliance
- Transaction advisory
